

# MUHAMMAD IDREES

## Full-Stack Developer

### ABOUT ME

With more than **4+ years** of experience as a full-stack developer, I have a solid history of creating high-quality, maintainable web applications. My expertise in PHP Laravel, MySQL, MongoDB, JavaScript, and Vue.js is complemented by my strong problem-solving skills and ability to collaborate effectively within a team. Throughout my career, I have made significant contributions to various projects, consistently achieving impactful results and fostering growth.
